

Confidentiality / Privacy Statement

**Please read the following agreement carefully and sign at the bottom of the agreement.**

- I agree to maintain the confidentiality of all responses collected during Study-NJCAT administration, this includes but is not limited to discussing the interviews, the participants, or their survey responses.
- I will not discuss details of the Study-NJCAT outside of prescheduled Study-NJCAT administration appointments.
- I will not discuss any other information unrelated to the Study-NJCAT during Study-NJCAT administrations, this includes but is not limited to the NJCAT3 instrument, previously completed assessments, scoring and tiering, funding, DDD services, or anything else related to my work or employment with DDD.
- I will not include any information collected during the Study-NJCAT in any DDD files or systems. A participant's study record must be maintained completely and entirely separated from any other records.
- Upon completion and submission of the Study-NJCAT, I will not discuss anything related to the Study-NJCAT instrument or its administration with the participant. I will refer any questions about the Study-NJCAT to DDPI.
